

Trevor Trophy Sunfish Race

8-18-19

The Trevor Trophy race turned into a Weld family outing, taking the first three spots, with a good wind to push the eleven boats around the senior course in under an hour. Highlights included Taylor White trying to sneak behind Birch Island to no advantage. The spectator fleet included numerous Loons and some errant kayak paddlers.

1 st	#62	Dan Weld		53:51
